# Careers after a PhD/Postdoc:

Early-Career Researcher Event

Keynote speaker:

**Dr. Lisa Bouchier-Hayes**

**Tuesday 28th March 2022**

Early Career Researchers are unsure which career path to take after their PhD. Proteintech are hosting 5 scientists who work in academia and industry with highly varied roles. Hear from them about their personal career journey and what their current job entails.

**Keynote: Dr Lisa Bouchier-Hayes**, Assistant Professor at Baylor College of Medicine, US

**Dr James Quinn** - Translational Scientists II at Eisai, US

**Dr Harry Potter** - Lecturer at the University of Central Lancashire, UK

**Dr Vrutant Shah** - Research Associate II at Methodist Research Institute, Texas, US

**Dr Rwik Sen** - Field Application Scientist at Active Motif, California, US

The webinar will include:

- In-depth Q&A with the speakers
- Certificate of attendance
- Free samples
